| 27-Jun-22 | A Facebook video claiming that COVID-19 is no more dangerous to people than the common flu or cold | Video content is assessed to have breached Facebook's COVID-19 policies and protections (Community Standards). By claiming that COVID-19 is no more dangerous to people than the common flu or cold (01:26:00 – 01:26:45), the content includes categories of potentially harmful information explicitly prohibited by Facebook including: claims that downplay the severity of COVID-19, such as: In the context of discouraging vaccination or questioning the efficacy of vaccines, claims that COVID-19 is no more dangerous to people than the common flu or cold. The post also attempts to undermine public confidence in the COVID-19 vaccination program. | Facebook | https://www.facebook.com/mjliddicoat/posts/pfbid0SqSaFWBHgFnYgXqcTuSCjW2MTTcdGeLAdMfcnaNHTecy81YYqGhCnsnxENgHNeGql |
