

# Queensland Political Party Crown by Treason

## The cold hard truth

**Fraud and Treason in any Contract voids the Contract.  
“you own nothing now and are supposed to be happy.”**

When was the last time the Governor-General and State Governors were paid in Pounds ?.

Till the Governor-General and Commander-in-Chief and State Governors are paid in Pounds they are not within Our Commonwealth of Australia Constitution Act 1901 as Proclaimed and Gazetted, therefore are sitting in **Treason**.

The last Governor-General to have Crown Authority was in 1960.  
While the Governor-General and State Governors are being paid in Dollars they lose Crown Authority to enact a Bill creating an Act with Crown Authority.

Therefore there is No Crown Authority from the Governor-General and Commander-in-Chief since 1960 and State Governors since 1965 when all State Parliaments and the State Governors created Acts of **Treason** with purported Crown Authority to create a Dollar monetary system outside Our Commonwealth of Australia Constitution Act 1901 as Proclaimed and Gazetted. All purported Federal and State Parliaments and Governments lost Crown Authority.

The Commonwealth of Australia Constitution Act 1901, as Proclaimed and Gazetted, prescribes at

Clause 9—The Constitution of the Commonwealth,  
Chapter I—The Parliament,  
Part I—General,

Salary of Governor-General = **pounds**.

each senator and each member of the House of Representatives = **pounds**.

payable to the Queen = **pounds**.

Ministers of State = **pounds**.

Section 46—Penalty for sitting when disqualified = **pounds**.

In this series of Dollar notes, \$100, \$50, \$20, \$10 and \$5 all have the Treasonous Political Party Republic seal within.

The Debt of this Counterfeit Dollar belongs to the Treasonous Political Parties and their Members.

Not the People as established under Our Commonwealth of Australia Constitution Act as Proclaimed and Gazetted.

Federal and State Parliaments, Governments created their own **Treasonous** Crown. Here is how the Parliament of Queensland in 1985 using **Treason** to create their purported Crown.

**Oxford Dictionary:** “purport v. appear to be or do, especially falsely”

All Members of Political Parties, each under their own Party’s Constitution and policies, have deceived us and our Constitutional Sovereign and Monarch, by creating under a progressive evolutionary process, Corporations that control all entities inside Parliaments, Governments and Courts “of Australia”, with NO Separation of Powers and with purported “Governor-Generals” and “Governors” under their control also. All involved in enforcing **Treason**.

From 1973 forward the Political Parties changed Constitutional and official definitions creating their own Australia, Commonwealth means their Commonwealth of Australia all purportedly outside Our Commonwealth of Australia Constitution Act 1901, as Proclaimed and Gazetted. The contrary intention has never appeared. = **Treason**

By the Treasonous Political Parties changing the Constitutional definitions they cloned under their definitions Our Commonwealth of Australia Constitution Act and Clause 9 The Constitution 1901, as Proclaimed and Gazetted, = **Total Treason**.

Under the Treasonous Political Party State Governor and Parliament created the **Australia Acts (Request) Act 1985 without a Referendum**.

Federal and State Parliaments purportedly are not within Our Primary Law, Our Commonwealth of Australia Constitution Act 1901 as Proclaimed and Gazetted therefore don’t have to have a Referendum as they are a private Company and don’t represent the people as established Under Our Commonwealth of Australia Constitution Act 1901 as Proclaimed and Gazetted. = **Treason**

### **First Paragraph**

**An Act to enable the constitutional arrangements affecting the Commonwealth and the States to be brought into conformity with the status of the Commonwealth of Australia as a sovereign, independent and federal nation**

**Oxford Dictionary** “status. n. the official classification given to a country”  
“conformity *n.* compliance with conventions, rules or laws”

This clearly explains that this sovereign, independent and federal nation is not within Our Commonwealth of Australia Constitution Act 1901 as Proclaimed and Gazetted. As explained above; All Members of Political Parties, each under their own Party’s Constitution and policies = **Treason**

### **Second Paragraph**

Whereas the Prime Minister of the Commonwealth and the Premiers of the States at conferences held in Canberra on 24 and 25 June 1982 and 21 June 1984 agreed on the taking of certain measures

to bring constitutional arrangements affecting the Commonwealth and the States into conformity with the status of the Commonwealth of Australia as a sovereign, independent and federal nation:

*The Governor-General, Prime Minister, State Governors and the Premiers of the States Conspired on two occasions to restrain and overthrow the Queen (as shown below) from Her position within the Commonwealth of Australia Constitution Act 1901, therefore also removing Our Commonwealth of Australia Constitution Act 1901 as Proclaimed and Gazetted.*

### **Third Paragraph**

AND WHEREAS it has been agreed that the Parliament of the Commonwealth at the request of the Parliaments of the States in pursuance of section 51 (xxxviii) of the Constitution of the Commonwealth of Australia should enact an Act in the terms in the first schedule:

*The status of the Commonwealth of Australia as a sovereign, independent and federal nation has no authority over the Commonwealth of Australia Constitution Act 1901 so can't engage the use of section 51 (xxxviii) **BUT** the Commonwealth of Australia Constitution Act 1901 and Criminal laws have authority over the status of the Commonwealth of Australia as a sovereign, independent and federal nation.*

### **Commonwealth Constitution, Constitution Act and Statute of Westminster not affected**

#### **5. Sections 2 and 3 (2) above-**

(a) are subject to the Commonwealth of Australia Constitution Act and to the Constitution of the Commonwealth

*The above Commonwealth of Australia Constitution Act and the Constitution of the Commonwealth was cloned by the Treasonous Political Parties when they changed the Constitutional definitions in 1973 by using their definition of Commonwealth means their Commonwealth of Australia.*

Section 13 and 14 are Referendum entrenched. No Referendum no Act.

**The Parliament of Queensland is now a Political Party Treasonous Republic.**

## **At present Her Majesty Queen Elizabeth II is the Queen of Australia.**

Queensland is a constitutional monarchy with the Queen as head of state, and the Governor is the Queen's representative in Queensland. The Queen must personally sign the Governor's document of appointment, and this document—the Governor's commission—is sealed with the Public Seal of the State (see section 37).

### **37 Power of Governor—public seal**

The Governor may keep and use the Public Seal of the State for sealing all public instruments made or passed in the Sovereign's name.

### **38 Continued use of seal despite end of Sovereign's reign**

**(1)** This section applies if the Sovereign's reign ends and, immediately before the end of the reign, a seal for Queensland issued by the Sovereign is in existence.

**(2)** The seal, until a new seal is issued by the next Sovereign, may continue to be used as if the Sovereign's reign had not ended.

A seal is a device that leaves an impression on paper and provides a mark of authenticity on certain official instruments. The “Public Seal of the State” is the seal that demonstrates the Sovereign's authority in Queensland. Examples of documents that the Governor seals with the Public Seal of the State include commissions appointing members of the judiciary, Deputy Governors, Ministers and Executive Councillors, as well as various types of proclamations.

Section 7(2) of the Australia Acts 1986 terminated the Sovereign's powers in the State of Queensland except in relation to:

- appointing or dismissing the Governor (section 7(3)); and
- times when the Sovereign is personally present in the State (section 7(4)).

When present in the State, therefore, the Sovereign can perform those functions where the Governor normally acts on the Sovereign's behalf, and can exercise any of the statutory powers that are specifically the Governor's.

Extensive consultation was undertaken between Australia and the United Kingdom during the development of the Australia Acts. At this time, the matter of the Queen's constitutional status in Australia at state and federal levels was clarified.

### Part 3—General provisions applying to Acts

#### 9A—Declaration of validity of certain laws

##### Each provision of an Act

enacted, or purporting to have been enacted,  
before the commencement of the Australia Acts  
has (and always has had) the same effect as it would have had,  
and is (and always has been) as valid as it would have been,  
if the Australia Acts had been in operation  
at the time of its enactment or purported enactment.

##### Explanation:-

Each provision of an Act enacted  
before the commencement of the Australia Acts  
or each provision of an Act purporting to have been enacted  
before the commencement of the Australia Acts  
has the same effect (and always has had the same effect)  
if the Australia Acts had been in operation  
at the time of enactment or purported enactment  
of each of those provisions

enacted or purporting to have been enacted  
and  
each provision of an Act enacted  
before the commencement of the Australia Acts  
or each provision of an Act purporting to have been enacted  
before the commencement of the Australia Acts  
is as valid (and always has been as valid)  
if the Australia Acts had been in operation  
at the time of enactment or purported enactment  
of each of those provisions enacted or purporting to have been enacted

**Oxford Dictionary: purport v. appear to be or do, especially falsely**

Because Section 9A—Declaration of validity of certain laws

Acts have been enacted falsely and only appear to be Acts,

then the Australia Acts have no effect, and never had any effect, on the validity  
of any provision of any Act enacted, or purporting to have been enacted  
before the commencement of the Australia Acts.

Dear Ms Lee Long

Thank you for your letter of 17 September 2004 making representation on behalf of a constituent who is seeking clarification on the Honourable Rod Welford's statement, at the launch of the new Queensland Parks and Wildlife Service (QPWS), in May 1999.

The following information is provided in answer to your constituent's questions:

- A corporation is an association of individuals, created by law or under authority of law, having a continuous existence irrespective of that of its members, and powers and liabilities distinct from those of its members. A corporation has a legal identity under the Corporations Act 2001 (Cth). The QPWS is a part of the Environmental Protection Agency (EPA), which is a part of the Queensland Government. The Queensland Government is the corporation, and the EPA/QPWS is a part of the Queensland Government.
- Corporate identity refers to the elements that make up an organisation's public identity. It does not give rise to a legal identity as such. The QPWS has its own corporate identity so that members of the public can distinguish it from other parts of the Queensland Government. The corporate identity elements of the QPWS include things like the Herbie Possum symbol, Ranger uniforms and colours used on signs. These elements are sometimes combined with Queensland Government corporate identity, so that the public still understands that the QPWS is a part of the Queensland Government.

- The QPWS charter may be distilled from components of two key documents:
  - The EPA Sustainability Charter, as contained within the *EPA Strategic Plan 2005-08*; and
  - The *QPWS Master Plan*, in particular the 12 principles that are summarised on pages 3 - 4 of the Plan.

The relevant pages of these documents are enclosed for your convenience.

Under the *Nature Conservation Act 1992*, conservation officers are generally field or scientific officers who have powers of inspection under the Act; special conservation officers are conservation officers who also have powers of arrest; rangers are generally park or wildlife management officers; and trustees are people charged with managing conservation areas; for example, local authorities.

I hope this information is helpful to you when replying to your constituent.

Yours sincerely
